The 3rd National Virtual LIS Academy Conference LISACON-2020 on "Reinventing Excellence in Librarianship" invites academicians, Practicing Library Professionals, policy makers, and other stakeholders to send original research abstracts, case studies formatted according to the given format. The conference will be held from 27-30 August 2020.

Developing the Career Path of the Participants:
The goal of this conference is to continuously improve the standards of the LIS community of researchers, scholars, and scientists by exposing them to the latest trends, developments, and challenges in the field. LISACON - 2020 is a platform for discussion and we encourage every participant to make a contribution by sharing their unique perspectives and knowledge.

Maintaining High-Quality Conference Standards and Publication Standards:
The conference is specially designed by the LIS Academy team together with a committee of experts from different universities with the guidance of the Academic Advisory Body of LIS Academy and conference organising committee. LISACON - 2020 is under the guidelines of the Committee on Publication Ethics (COPE).

THE ORGANISERS
- The Indira Gandhi memorial library (IGML)
- University of Hyderabad (UoH)
- Telangana Library Association (TSLA)

ABOUT THE THEME OF THE CONFERENCE
The advent of digital technologies has brought in disruptive changes in all spheres of library. Today's library is less about what we have for users and more about what we do for users. Librarianship has to reinvent and reposition itself to achieve excellence. The librarianship needs to rethink innovative content acquisition models, out of the box thinking in extending library services, leveraging technologies, new modes of reaching the user community. The LISACON-2020 theme "Reinventing Excellence in Librarianship" will focus on bringing best practices, success stories, case studies, and innovative research outcomes to a common platform.
Reinventing Excellence in Librarianship
